Marcus Minton Partner

Mr. Minton is an accomplished finance executive and strategic advisor with over a decade of leadership experience across private equity, energy, and technology sectors. As a former Chief Financial Officer and company co-founder, he has led high-growth ventures from early-stage development through successful exit, overseeing key functions including financial strategy, capital formation, M&A, and operational scale-up.

At GrowthMode Group, Mr. Minton works closely with founders, executives, and investment partners to design and execute finance strategies that enable sustainable growth, operational excellence, and long-term value creation. Known for a pragmatic and results driven approach, he brings deep industry insight, financial rigor, and a strong network to every engagement.
